The International symposium and trade exhibition on “Aqua Science and Water Resources (ISASWR’17) will be held during August 8-11, 2017 at Nanakuma Campus of Fukuoka University in Fukuoka, Japan. This 5th international symposium is not only fastened to the industry-academia exchange events but also provide a newly arranged business matching area, a new meeting place of the industries to share their valuable experiences, new ideas to each other to create doors of opportunities. By all means, join us for this meeting to promote open innovation in industry. We expect this event will spurs innovative co-creation and stimulates company growth.
